English Units:

- ✓ Newspapers/Cobis Poetry competition
- ✓ Stories by Significant authors
- ✓ Biographies and autobiographies

Alongside the units, the children will:

- ✓ Continue to learn words, apply spelling and pursue accuracy in spelling.
- ✓ Investigate spelling rules and exceptions, including developing knowledge of word roots, prefixes and suffixes.
- ✓ Secure the use of all punctuation marks in all writing and to use them to guide intonation in reading.
- ✓ Take part in the Accelerated Reading Scheme and to develop as active and articulate readers.
- ✓ To revise the grammatical and language conventions of different text types.
- ✓ Speak confidently and make effective contributions in group and class discussions.

Numeracy

Place value; subtraction

- ✓ focus on a robust understanding of place value in large numbers, which underpins the subtraction work that follows.

Multiplication of decimals and fractions

- ✓ focus on understanding decimal and proper fractions and their equivalences; calculations including multiplication of these numbers are rehearsed.

2D shapes; angles

- ✓ focus on 2D shapes, particularly quadrilaterals, in relation to their diagonals and interior angles; circles are also taught, along with relevant terminology.

Addition and subtraction

- ✓ focus on mental and written addition and subtraction methods, including solving word problems.

Multiplication and division

- ✓ focus on number patterns involving factors and multiples, and on long division.

Statistics and data

- ✓ focus on data representation and manipulation, including line graphs, pie charts and the use and calculation of averages

Algebra; ratio

- ✓ focus on the use of generalisations and simple formula, including to find the nth term in a sequence; then moves on to ratio.
